# Jaclyn Chan

iaclyn.chan@uwaterloo.ca | iaclynchan.me | linkedin.com/in/jaclyndchan

Skills

Languages: Python, Java, C, C++, Scala, Scheme, Bash, SQL, HTML/CSS, Arduino, RobotC, Javascript

Tools: Git, Jira, Pandas, Linux, Excel, Docker, MLFlow

Education

#### **University of Waterloo**

Waterloo, Canada

#### Candidate for Bachelor of Computing Financial Management

Sep 2019 - Present

Computer Science and Finance – President's Scholarship of Distinction – WiCS GHC Scholar 2020 – Dean's Honors List – 3.9

## **Experiences**

#### **CPP Investments**

Toronto, Canada

#### Junior Python Engineering Intern Analyst, Quantitative Strategies and Risk Premia

Jun 2020 - Aug 2020

- Implemented statistical analytics tools for factor investing portfolios using **SQL** and **Pandas** within quantitative equity team
- Refactored data validation codebase, improving tuning accuracy and optimizing analysis for 88.9% of incoming datasets
- Prototyped ML models and used **MLFlow** to analyze machine learning workflow from development to production
- Analyzed an emerging markets investment opportunity for M&A case competition over 7 weeks (finalist out of 10 teams)

## nuTonomy

Singapore

# Robotics Engineer Intern, Embedded Systems

Jun 2018 - Aug 2018

- $\bullet \ \mathsf{Implemented} \ \mathsf{bandwidth} \ \mathsf{data} \ \mathsf{analysis} \ \mathsf{systems} \ \mathsf{with} \ \mathbf{Python} \ \mathsf{and} \ \mathsf{packaged} \ \mathsf{analysis} \ \mathsf{programs} \ \mathsf{using} \ \mathbf{Docker}$
- Programmed hardware with C and used Fusion 360 to design protective cases for voltage regulators
- Designed a visual monitoring system with **OpenCV** and **Raspberry Pi** to allow remote surveillance of HIL-bench

# Leadership

Tech+

Waterloo, Canada

#### **Project Organizer**

Aug 2020 - Present

- Fostered an inclusive and diverse tech community by leading weekly social, networking and informational sessions
- Organized mentorship program with 108+ mentor<>mentee pairs and cultivated a community with 300+ active members

#### **FIRST Robotics (Singapore American School)**

#### Team Captain, Youth Mentor, Project Manager

Singapore

Aug 2014 - Jun 2018

- Programmed hardware with Java, engineered the electrical system, and constructed 125 lb. robots to compete internationally
- Managed cross-functional sub-teams, facilitated logistics and led outreach, tripling team from 10 to 30+ members
- Awarded Excellence in Robotics Award, Senior Technology Award and PTA Scholar Award for contributions to robotics

#### **TEDxYouth@SAS (Singapore American School)**

Singapore

#### **Executive Producer/Lead Organizer**

Jan 2015 - Jun 2018

- Led **30+ member** team to produce main stage event, managing speaker curation, technical theater coordination and rehearsal logistics for events with **100+ guests.** Collaborated with finance team to manage budgets of **\$25k+**
- Managed event logistics (2015) and was selected to attend TEDFest 2018, an official TED conference in NYC

# **Project**

# Spacelab - International Space Station via SpaceX Falcon 9

Singapore

#### Software and Electrical Lead, Founding Member, Mentor

Launched on the SpaceX Falcon 9 - Jun 4, 2017

- Research Topic: The Effect of Melanin Production on the Growth of Escherichia coli Bacterium in Space
- First team in Southeast Asia to win SGD\$60k grant to launch biology experiment sent to the International Space Station
- Specialized in software and electrical systems including **Printed Circuit Board** design, **CAD** and sensor programming
- Implemented a data capturing system with PBASIC and conceptualized the infrastructure of the micro lab

#### **Extracurriculars**

Fashion for Change, Model and Event Manager. Organized events with 250+ guests and rehearsed weekly for charity show. Dance/Yoga Instructor, 3+ years of dance teaching and choreography. Certified 200-hr Tirisula Yoga Teacher.

Performing Arts, 12+ years of dance training. UW AcaBellas (A Cappella - Choreography Lead). UW Cheerleading Team.

Women in Finance at UW, Assisted with outreach and growth by designing graphics and building the social media strategy.
